**TO ROME WITH THE
HIBERNIANS**

The Hibernian Pilgrimage to Rome for the Holy Year is the opportunity of a life time. Our Pilgrims will visit several of the countries of Continental Europe en route to the Eternal City where a special audience will be had with Pope Pius XI. Returning they will proceed to Ireland where the travel itinerary permits them to wander about where they will and return at their own convenience.

The cost of the tour, when measured in dollars and cents, is modest and easily within the competence of many of our members.

The travel itinerary is most attractive and of a high educational value.

The Holy Year of Jubilee affords innumerable blessings to all the faithful who avail themselves of this glorious opportunity.

It must not be said that Hibernians are unmindful of all this. Our Pilgrimage must be worthy of our Order and worthy, too, of the stirring traditions of our race.

If you can join the Pilgrimage, by all means do so. The journey will be one never to be forgotten. Send your application immediately to the Pilgrimage Committee, A. O. H., Suite 1270, No. 1440 Broadway, New York City.
