Dear State Presidents, County Board Presidents and Division Presidents,

Thank you for the confidence you have placed in me to serve as your National President of this great order for the next two years. It is such an honor and a privilege.

Before we left Louisville I had asked Past National President Maureen Shelton to chair the 125th Anniversary Gala in 2019. Committees are being formed and plans are in the making. Once we secure a date and a location, information will be sent out in order to give everyone enough time to make plans to attend this historic event for our organization. National Historian, Sandi Swift, is working on commemorative items the National Board will have for sell with the proceeds going to Appeals for Aid.

All members on the National Board are aware there is a communication problem between the National Board and our sisters throughout the States. One of my goals is to have an electronic newsletter with contributions from the National Board and all the States. Hopefully this will be a way the State will be able to share ideas. Once all details are worked out information will be sent out to the State Presidents.

Shortly you will be receiving material concerning the National Board's fundraiser. I ask for your assistance in making the fundraiser a success.

I am asking the State Presidents or State Secretaries to please forward my letter to the County Board Presidents and/or Division Presidents in their State and please do not hesitate to contact myself or any other National Board member because we are here to serve you.

Yours in Friendship, Unity and Christian Charity,

Carol Sheyer
